A Note from the Publisher.

Hello everyone. At long last I'm finally getting this edition out. I was going for December but I couldn't make it. However since my theme for this edition is the information surrounding the life of Jmmanuel(Jesus Christ), it does seem a little appropriate that it comes out in February since the 3rd of February was his birthday. We currently celebrate his birthday on December 25th, Christmas, but in truth his birthday was February 3rd, according to the Pleiadian information given to Billy Meier.

In this edition I'm going to cover several aspects of the Pleiadian information about Jmmanuel. First will be the conversation with Jmmanuel by Billy Meier. During Billy's years of contacts with Extra-terrestrials he was taken on a trip through Time and was able to actually talk with Jmmanuel. This occurred when Billy was 19. He was having contacts with a woman named Asket who was not a Pleiadian. She was from a race called Timers, (pronounced like the name Tim). Billy's contacts with Asket started on his 16th birthday and continued for many years. Most of the contacts were telepathic, however on many occasions Asket took Billy with her on Time travel lessons in History.

In this issue I will offer you excerpts from the conversations Billy had with Jmmanuel on one of his several trips with Asket.

As a result of his Time travel into our past history and his talk with Jmmanuel, Billy learned of an old document containing the true teachings of Jmmanuel. He was told it would be dug up and translated by a priest. Billy would eventually be given this old document in order to make it available to the world. That document came to be called the Talmud Jmmanuel. The document was originally in Aramaic and was translated into German by a friend of Billy's. For several years there has also been an English translation of it circulating around America. The Talmud Jmmanuel may be the lost testament of Jmmanuel(Jesus Christ), and offers some new insights into the life of Jmmanuel.

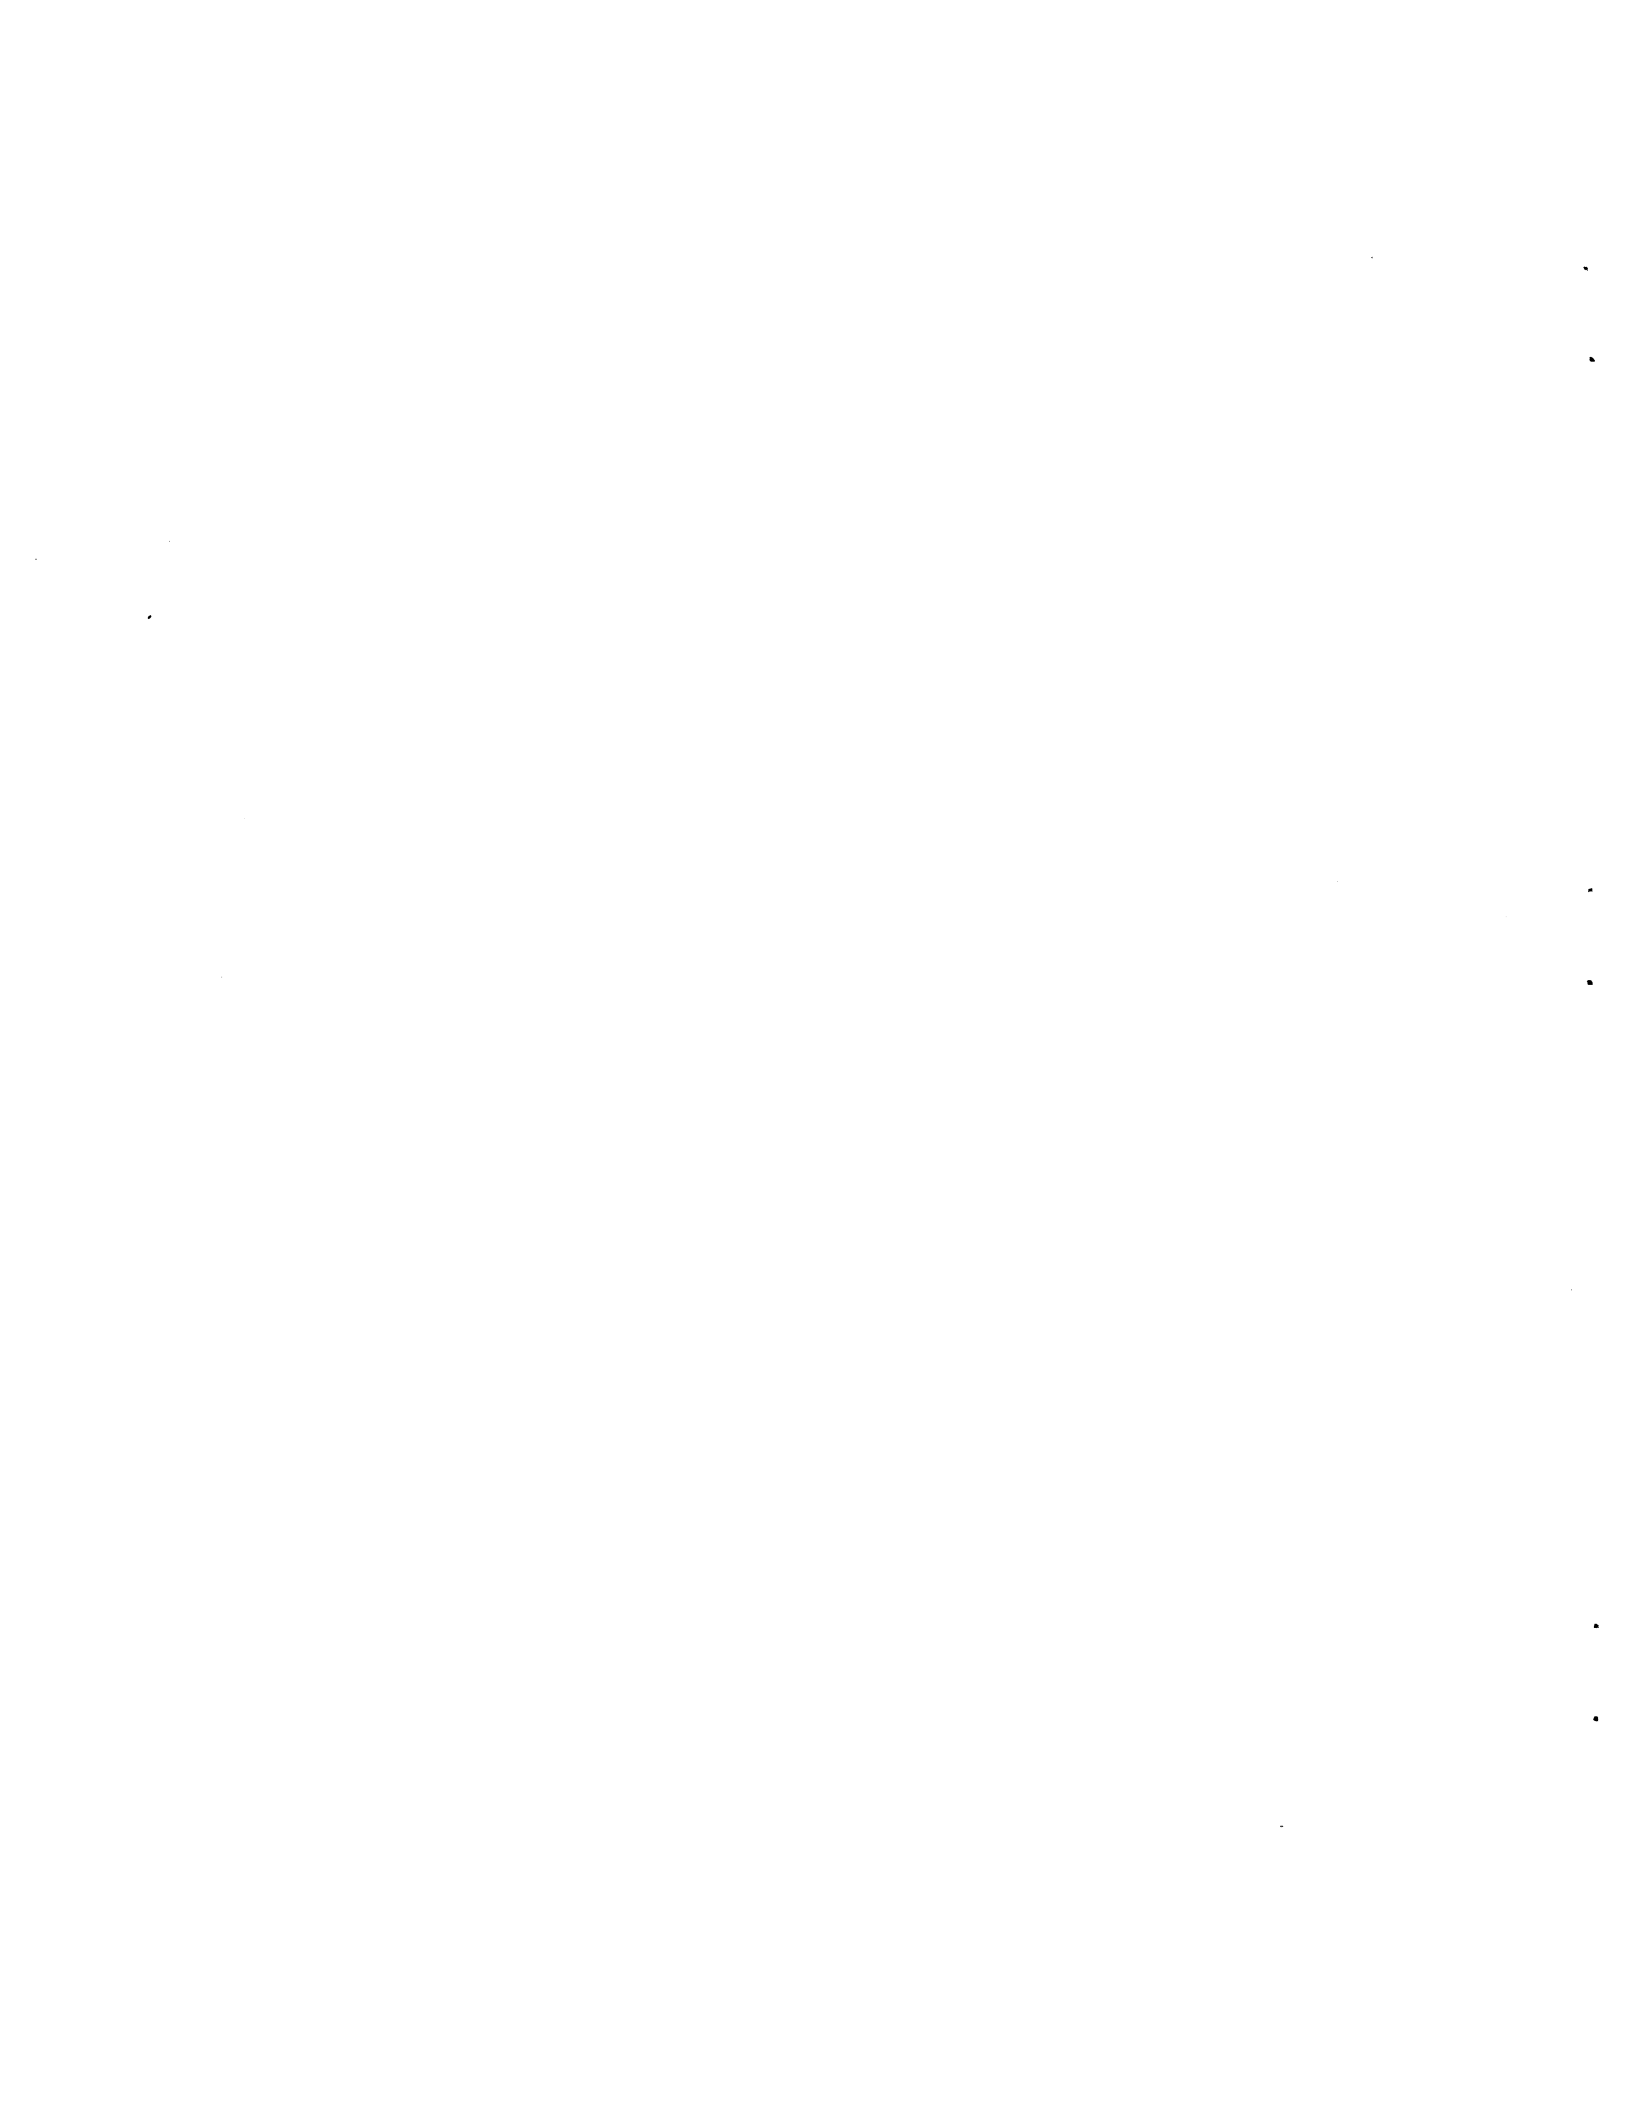

The potential historic importance of the Talmud Jmmanuel has attracted James Deardorff, a professor at Oregon State University, to write a complete analysis of the Talmud Jmmanuel. He has spent 6 years studying the Talmud and its relationship to other historic documents such as the Gospel of Mark and Matthew.

Professor Deardorff has just recently released his book, *Celestial Teachings* which is a complete study of the Talmud and its place in history. Along with this comes a new and complete translation of the Talmud Jmmanuel which you can now purchase.

As usual I will entertain some questions and answers most commonly associated with Jmmanuel. So I hope you enjoy this issue.

Happy reading,

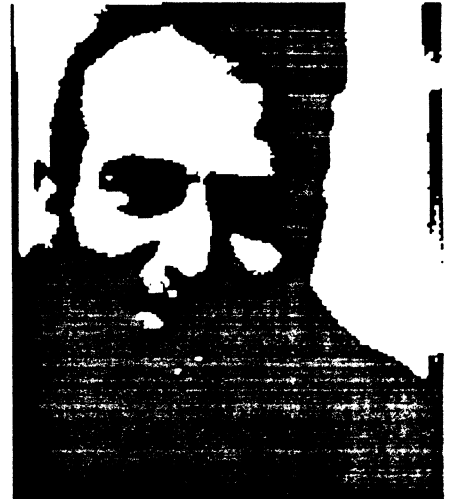

Randolph Winters

A Conversation

with Jmmanuel.

by Edward "Billy" Meier

Billy Meiers contacts with Extra-Terrestrials begin at birth and have continued through his life. I say at birth since later he has discovered that the moment of his birth was caused by ET's. It was important that he be born on February 3rd, 1937 at 11:00 a.m. in the morning. His spirit was "procreated" by the Pleiadians and caused to be born at that time. Three other people were also caused to be born at the same time. Actually they were all to be born at 11:20 a.m., but Billy was early.

Billy's contacts were largely telepathic when he was young. At the age of 16 his contacts were taken over by a female voice which entered his thoughts. This was the voice of Asket, who remained his teacher for several years. His contacts with the Pleiadians began in January of 1975. When the contacts with the Pleiadians began, Billy kept Notes of all of his meetings. Actually what happened was after a contact Billy would return home and the entire meeting would be played back to him via a device up some kind made by the Pleiadians. Billy would set at the typewriter and the Device would play back the entire conversations and cause Billy to type them out. This was an exhausting feat for Billy who only has 1 arm. Friends would sometimes watch him type and marvel at the speed. Billy says the Device would allow him to hear in his head the actual conversations, word for word. It would even stop if he typed something wrong. The notes that Billy compiled over a 3 year time came to be called the Semjase Reports, or "Contact Notes" These "Contact Notes" contain the conversations of over 135 meetings. There have actually been over 190 meetings as far as I know, but only 135 have been put into the 18 books of Contact Notes that are currently in America. Billy has typed out the "Contact Notes" from the rest of his meetings but says they will not be released as they were only for him.

Billy's contacts with Asket came years before the Pleiadian contacts. Later In 1975 when Billy was typing out his "Contact Notes", he asked Asket to refresh his memory. She obliged and retransmitted the conversations you are about to read.

The entire "Contact Notes" surrounding his historic trip back in time to meet with Jmmanuel(Jesus Christ), are quite long and span over 50 pages. I have edited out what I believe to be some of the more interesting parts for you to read. I have not changed any words or meaning, I have just left out many parts for brevity.

The conversation you are about to read took place in the year 32 near Jerusalem at the Mount of Olives. The local village was called Bethpage. By our calendar these events were going on in the year 1956 on September 18th.

I have tried to clean up the translation a little so it is easier to read. If any of you are interested in the actual word to word conversations they are available in German if you like.

The following excerpts are from a conversation between Billy and Jmmanuel in the year 32. Jmmanuel is today known as Jesus Christ. During his time, as you will read, he was known as Jmmanuel, his real name at birth.

Remarks by Jmmanuel will be marked by name Jmmanuel, and Billy's remarks will start with the name Eduard since that is how they are in the "Contact Notes". Billy is a nickname after the old wild west hero Billy the Kid. He wasn't called that until later. Billy was born as Eduard Albert Meier.

Excerpts from book 6 of the "Contact Notes", edited by Randolph Winters.

Our conversation begins just after Billy and Jmmanuel have met. Billy has been supplied a language translator by Asket so they may communicate. Billy has been in Jerusalem for 4 days at this point. He is led to this location by Asket on purpose for Billy's education.

Jmmanuel

You have a peculiar language, but I understand the meaning of your words, the sense is good and it honors you. Let us yet sit down here on these stones, because I want to have a talk with you.

Eduard

You know my name, and also the one of Asket. Do you know another and had she told you about me?

Jmmanuel

You are very reality-connected. No, I have still never talked with Asket. My knowledge about you is of other character. It is through the force of my spirit by which I recognize the times.

Eduard

This means so to speak, of seeing the future.?

Jmmanuel

In some meaning you think right.

Eduard

In some meaning? Then it can only behave that by the force of your spirit you are able to walk through the times and by this to explore them.

Jmmanuel

This is my knowledge; how were you able, to conceive this?

I understand, and this is good with that. You have also to know this, for very difficult things are in advance to you.

Eduard

This is true, I know, but also you are standing short before a heavy examination.

Jmmanuel

Life demands manifold things, as you call this. We have but to walk our way and to walk in honor under the observance and performance of the laws. Like I will walk my way, like that will also you walk your way.

Eduard

I am of the same opinion, yet am I allowed, to ask you some questions, in which I have a burning interest?

Jmmanuel

Your character and your thoughts are acquainted to me, and thus I will answer your questions, before you have to express them. My lesson which I spread in these lands, is not new, but well-known to the scribes. They but falsify the old lessons of the prophets which are transmitted to them and falsify them and well known for them. They but disregard them and falsify them and interpret them for their own favour, thus they punish me of lie, for I preach against their lies. They have constructed cults from the old lessons of the creational laws and of the spirit, which take away from the human being the liberty of spirit, and force him into slavery, by that they are able to enrich themselves from his goods.

They have done with the spiritual lesson a heresy, and they have humiliated the Creation into a human creature, which they call God.

God but is a master over human races and over worlds, and he can never get put in equal position to the Creation, because her being is the highest one, and besides her truly is nothing existing.

The scribes and pharisees but contest these lessons of spirit, and they slander me and call me a liar, because I announce the truth.

Throughout history the The truth is but undesirable, and like that, also in this time. I tell you by truth: when a human being talks like me about the truth, reveals her and diffuses her, then he will get pursued and hated because it, like that in my time as in your time. I get pursued because of this, and will not escape from the myrmidons, because life has destined this for me in that manner. So also you will get pursued, because also you will have to fulfill a mission in your future world, like I have.

My coming days are very hard, and I feel inside of me bitterness and pain, because I know the event, which is coming towards me. But I will not escape from it, because this is determined in this manner.

The human being of this world has fallen to need and confusion, driven there by the astray lessons of the scribes and pharisees and all those, who are walking in their footsteps. I tell you in truth: This will lead in this world to much need and misery. On the chairs of the prophets are sitting the scribes and pharisees, and everything, what they are preaching to the people, is mere lie and deceit. They are hypocrites and distorters of the truth. On the outside, they appear pious and above the human beings, but insides they are full of hypocrisy and transgression and wrongness. In themselves, they are more evil, than each generation of vipers and snakes, and they want to be great in spirit, but yet they do not own reason.

All the just blood will but come upon them, which is shed by them on earth, since the first prophet, whom their fathers and forefathers murdered, until the blood of those who in future they still will murder. They murder in the name of the love and the justice and mean by this but alone their own avidity for richness and might. They have transformed the lesson of the spirit and the laws and bids of the Creation into a very wicked cult and frighten the human beings by the death by the revenge of their blood thirsty god and by sword weaponed angels. They teach the human being in the fright from the splendor and the everywhere of Creation because they deny her existence and replace Her by their god and their saints.

Truly, so does behave and the coming times will become very worse. There will be howling and chattering of teeth, and the blood of the innocently sacrificed will deeply suckle the howl earth. Alas to this world and these human beings; the fate will be very hard. Truly, so it will be. Still one realizes in me only the earthborn human being, who I am a sandculotte and fight against the untruth, what one will but wickedly interpret for me. I but know the truth and own the wisdom of the spirit, the forces of the spirit and the will, to fulfill my mission. All hate against me will not keep me from my way. The truth is more important, than the passing-over pain of the body. A man can be tortured and destroyed, but Truth and the Spirit will never be killed.

As one is still recognizing this truth at present in me will but this change in future. Truly, from my real human existence and being a cult will get produced which will bring very evil consequences. At the present I am still realized as a human being, but soon someone will perform out of me a form of slander and put me equal to the Creation.

Truly, I know these events of the future and but I can not change them if but I oppose against them..

I was born a human being and as such I live and fulfill my mission. As a human being I will also suffer the fate of the bodily death after 83 years. My body will be very old but my spirit will be unbroken. In this also the coming event will change nothing which is provided for me as martyr. The occurrence contains only bodily pains which yet will find their scattering by the force of the spirit. Indeed this ways it will be and then I will finish my mission.

Eduard

So may really behave, but I became educated to fight. How do you feel about your name? Your real name is Immanuel, but in my time you are called Jesus Christ, like it says in the New Testament.

Immanuel

Truly, this is an evil abuse, and is strange to the truth. Until this point of time, where I am now talking with you, I have never been called by this name. This name will first be used by a human being, who's spirit will be confused. He will also carry the guilt, that one will designate me for Creation and deny me of almightiness. This all will happen by the Paul, who presently is still one of my most evil enemies.

Eduard

You think, that by the foundation of the Christianity he will establish his own religion in mad manner, a Paulism, so to speak?

Immanuel

Really, you tell the truth.

Eduard

Thank you. I am aware of your knowledge of the future, so I am sure you are informed about what will happen in your name. I have understood your explanations very well, as I am quite knowledgeable about the New Testament which is supposed to contain your lessons. For some time though I have known that many of your lessons have been falsified and are not in accordance with the Truth. You will no longer be known as a real man, but will be called a God of Creation and you will be proclaimed as the redeemer for earth mankind. You now sit before me and I realize you as a human being, like Asket here, and your followers who sit across the road. I am now wondering why there are no direct writings of your lessons which have been transmitted, since from my knowledge, the first words of the new Testament were first written down around 200 years past your assumed death on he cross. Do you not write down any of your lessons, to preserve them for a later world?

Immanuel

Truly, your question was put very directly. Consider that my time is before yours by two millenniums, and in this time only a few people in society are able to write.

In order to complete my mission I learned to read and write, but I have not had the time to write down my lessons. And when I speak of my lessons, truly, then I call by that the lessons of all greattimes, the lessons of the Spirit and the lessons of the Laws and bids of the Creation, which are imperishable for all times.

I learned them in similar fashion as you have, and also I have lived for many years in India where I could learn further lessons. You see even though I preach the lessons, they do not originate from me.

Indeed, your question was justified. I already know the wrong and astray lessons of the future around my true lessons and around my person. There are no steps provided to change these coming events, because the mass of humanity is too distorted to be able to influence them even a little.

This will unfortunately lead to two thousand years of heresy, misery and shedding of blood. Truly though, the Truth will not be lost forever, because she will remain transmitted and hidden in a safe place and will endure the times in written form.

Among my followers I have a scribe by the name of Juda Iscariot, who writes down the most important of the lessons and events, which later, well preserved, will endure the times, to transmit the real truth to the posterity.

These writings will get found in your time, and you will spread them equivalently again and make them accessible to the human beings. Yet still the people of your time are not mature enough, as it will be past two decades of your time before the grain of the Truth will find a bit of nourishing soil.

Eduard

This is a good thing you are saying, that your lessons will remain preserved and will be found.

Immanuel

Truly, so I say. For the scripts already are being searched for, to destroy them and to use them against me. Already a scripture roll got stolen from the writer and handed over to the pharisees and scribes. A pharisee's son by the name of Juda Iharioth took it secretly from out of the bag of Judas Ischarioth, to sell it for 70 silverlings to my pursuers, so that they would be able to accuse me of blasphemy.

Judas Ischarioth is but advised by me, to write the texts another time and to preserve them well, so that they will endure the times according to the destination.

Eduard

You talk of Judas Ischarioth, who should be your betrayer, and also about the scripts, which should still be transmitted in my time?

Immanuel

Truly, my speech is about him. By no means will he be the culprit. The one who will surrender me to the pursuers, is the same who stole the scripts and sold them.

Eduard

This Juda Iharioth?

Immanuel

So it is. His father will promote the lie that Judas Ischarioth is the betrayer, so that the pharisee name Iharioth will not be tarnished.

The reasoning is also that the priests, scribes and pharisees and their adherents can say: "Look, one of his own ranks has betrayed him and surrendered him for the death on the cross. Look, realize, how can his lessons be True, when his own followers betray and surrender and sell him?"

Eduard

So this is how it will be. Now I understand a lot more. Now I yet ask myself, who has hanged himself really in the blood acre, or I should say who will hang himself in this time now?

Immanuel

This Juda Iharioth.

Eduard

I am yet interested now, whether the scripts you have mentioned will really be expedient for the truth in my time? I refer to the recordings of Judas Ischarioth.

Immanuel

Truly, they will be that, at first they will be very much doubted. Then they will get accused of the lie and of falsification but the truth will overcome. At first but much troubles and denial will come upon the script - even from out of your own rank of followers. But the greattemporal truth in the truth will always overcome. Many tries will get undertaken, to let appear the truth and the correctness of the script by dark light and in untruth. But yet all tries will be useless, because the brake-out of the truth in your time is already now destined. Indeed, there will get started very evil things against the script to abuse her of lie and to destroy her. Very many ways will get walked for that. Even low spirit of died ones shall get called to abuse my lessons of the lie just like the scribes the pharisees and the priests do in my time who are able to get in communication to very low ignorant and wronged spirits. Like that will also behave in your time for the human beings of your time will same

as much still be fallen to superstition and unbelief as this do the human beings of my time. This is really a bad evil.

Eduard

These are not good expectations. What for examples will be said to offer question to the authenticity of your lessons, and of the script and to accuse her of the lie?

Jmmanuel

Truly, there will get performed many ways for that. A new form of the lie will be to pretend the script will contain many worthwhile truths but that the script should not transmit my lesson but be only the advices of another who shall also keep the name Jmmanuel. It will be that one will doubt me for Jmmanuel and presses me into another person. So will occur in relation to the willful given to me name of Jesus Christ. So will get pretended I Jmmanuel would not be called Jesus Christ by what should seem Jmmanuel and Jesus Christ to be two different human beings. This new lie about me will get invented very early in your time about me.

Eduard

These are rather delightful expectations and I can prepare myself. Now I have another question in respect to the Christmas celebration. You must surely know that your birthday gets celebrated in my time as Christmas. Is this the true date?

Jmmanuel

Many celebrations get done in honor of deceased persons who are of importance. Truly, this is not more than a cult around persons to honor them and to sponsor by this for some few ones the richness. Honor should be due to the worth one of honor thus a reminiscent for him remains. But never is allowed to make a cult from this or a commerce for getting richness. You call in your time the cult around me religion, truly that is well known for me. This religion is yet interspersed by very many heresies of many fold sorts so as well with wrongs about the time of my birth.

In your time you celebrate the day of my birth in the 24th of December of each year. This yet is only the day of festival of a blood thirsty deity from Persian countries and does not equalize to the date of my birth. Your chronology does truly not accord with the reality and like that also not your reckonings about the time of my birth. In the chronology of your time the day of my birth is to count with the third day of the second month.

Eduard

You mean the 3rd February?

Jmmanuel

So you mark this time.

End of conversations...

Again I would like to point out that I have only presented part of the conversation here, and only those parts which are thought were the most important. If you would like to know more I suggest you send for a copy of the Talmud Jmmanuel which is offered in the back pages and you can read for yourself.

Introduction to The Talmud Jmmanuel

At the age of 19 Billy was taken on a trip through time to the year 32 to meet and talk with Jmmanuel. During that conversation he was told that the lessons of Jmmanuel were to be written down by his faithful scribe Judas Iscariot. These scripts would be safely hidden so they would survive for a later time.

In 1963 a priest was led by the Pleiadians to the locations where the scripts had been buried. Translated and given to Billy to present to the world, these scripts are known as the Talmud Jmmanuel. Since modern day Christianity is based on the Gospels of Mark and Matthew are we really hearing the true lessons of Jmmanuel? Here I present to you excerpts from the Talmud Jmmanuel for your own scrutiny.

I have not changed any words or meanings. I have only left out many pages for brevity. The original manuscript is over 100 pages long. Too lengthy for me to publish here. It is only my intention to acquaint you with the concepts contained within this script and suggest if you desire more look for the order form in the back and you can get your own copy recently translated and offered by Wild Flower Press in Oregon.

The picture on the cover of this issue is of Jmmanuel (falsely called Jesus Christ) and was done with pen by Semjase, the pilot of a beam ship (whose home is on the planet Erra in the constellation of the Pleiades, which is about 500 light years from our solar system).

This portrait was drawn according to the old pictures at the time when Jmmanuel was active in Palestine. The old pictures of Jmmanuel which are in the hands of the Pleiadians prove that so far, the people on earth have a completely false picture of him. Comparison of this portrait, with the so-called "Death Cloth of Turin" kept by the Vatican shows clearly that the picture here is not identical at all with the features of their cloth, which faintly shows the image of Jmmanuel after the crucifixion. Additionally, the spelling of Jmmanuel with a "J" is no mistake, for according to the instructions of the Pleiadians, this name can be traced back to their forefathers which in their written language spells the name Jmmanuel in above form.

RANDOLPH WINTERS

Excerpts from the Talmud Jmmanuel

Forward by Billy Meier

The text on hand was found in 1963 by a catholic priest in the Form of scrolls which had been poured into resin. Written in old Aramaic script, it was buried in the actual grave (tomb) of Jmmanuel (mistakenly called JESUS Christ), and placed under a flat rock. The person who found it was a greek-Catholic priest as already mentioned whose name upon his request unfortunately can not be mentioned. He feared, and rightly so as it turned out later, that he would be persecuted by the church as well as the Jews and possibly would even be killed by an assassin which, sad to say, later did come true. The author of the scrolls was a contemporary and disciple of Jmmanuel known under the name **JUDAS ISCHARIOTH** who has been falsely accused as the betrayer of Jmmanuel for about 2,000 years. Although this one was not connected with the betrayal since this heinous deed is actually attributed to the son of a pharisee named **JUDA IHARIOTH**.

The still reigning orthodox and conservative clergy and their mislead followers may well try to deny, destroy, and accuse as untrue the text on hand with all possible means just as they did with many other old texts which testified to the actual truth (we refer to the books HENOCH and JEZIHRA which where removed from the Bible because they had been determined to be to truthful) in order to save their threatened mislead faith.

As in the past, most likely this text is to be destroyed and perhaps also pulled out of circulation. Most likely pressure will be placed upon the editor of the text from many sides, or he may even be persecuted or killed by an assassin (three attempts on his life have already taken place beginning in 1975, once even with a witness present), in order to protect the true religion". Thus, most likely, steps of all kinds with regard to the police, authorities, prosecutors, judges and courts are being taken to forbid this text, deprive it of its credibility, accuse it of falsehood. or to destroy it, which in actuality, however, cannot harm the truth of the text in the least, not by one iota. The cunning agents charged with this assignment shall most certainly proceed with utmost caution and skill, and with much intrigue in order that the text will be denounced, regarded as a lie and destroyed as was also the case with the publication of other texts; the original texts, however are included in the Vatican's library in Rome.

Fanatics of the religious cults and other mislead individuals shall cry murder and use all means at tneir disposal to fight the existence of the text and against the editor. But as we know, it has been like this all along, without hesitation to murder or the like. The editor is well aware of this fact and is prepared in the best way possible. The reader only has to look back to the Inquisition (as ordered by the "*Holy Chair*") in order to realize how for instance, the "*Holy Office*" or "*The Holy Chair of Rome*", or if you choose the *Pope*, proceeds in order to build up the false cult religion *Christendom*, or in his mind to save it. By order of the "*Holy Chair*" - in Europe alone, millions of people were bestially slaughtered, tortured, and murdered. (The recorded murders ordered by the "*Holy Chair*" amount to nine million people during the time of the Inquisition alone. The cases that were not documented during this period are estimated at another nine million persons).

This translation proves without any doubt that the false teachings of the cult religions are completely without any truth and that they are the irresponsible machinations of individuals without scruples who were partially hired by the "*Holy Chair*", or perhaps were ignorant, fanatic, mentally

deranged, or simply power hungry. They were people who throughout thousands of years mislead mankind without thought and scruples and who shed human blood through murder totaling in the millions. This is not all however, because the successors of these murderous and unscrupulous individuals created throughout the centuries and millennia a mighty power of cult religion which is able to rule the entire world.

In the course of past millennia the cult religions brutally fought their way up through bloody and bestial murders to the most influential powers of the earth to which even brutal and dictatorial governments bow. Cult religion - the dirtiest name of the most influential powers is the name of a false and deceptive love, which walks over dead bodies without thought or scruple, literally speaking. Backed by the false teaching of the NEW Testament, the Christian cult religion maneuvered itself into the politics of all countries. It does not even shy away from entering into the most intimate family life of people - even intruding into the bed of the married couple in order to attack the last and most private secret of man, and pull it down to the cult religious filthiness of the church and to destroy everything. Finally the time has come that these filthy operations may be terminated when man is reasonable enough, reforms his thinking, and dedicates himself to the real teachings of Jmmanuel. Through all those people who stick obstinately to the deceptive craziness of the cult religions and are therefore no longer able to think normally, with any sense of reason, and defy doing so and protest against it, their battle of madness will be in vain, for truth will be stronger than all cult religious insanity and any dirty lie, even if this lie has been around for millenniums. The dirty lie of cult religions will now finally be uncovered and destroyed even if the lie itself and all its adherents and champions protest against it with all their might. Truth will finally triumph even if the victory is won at a very high price as is written in the text, which says that the truth will call forth a world wide catastrophe. But the truth is needed and can therefore no longer be kept quiet. But a catastrophe will be understandable if one considers that the cult religions have become exceedingly powerful, by which power they have so far been able to suppress all truths directed against them through all kinds of murderous and nasty means and shall try this again now; and again they will not refrain from murder as this was consistently the case in the past. For this reason, the editor of this text runs the risk that by order of the cult religions private fanatics, and members of the sects, he may be persecuted, possibly murdered, or that he will be delivered to the courts.

From all this the earth man will finally see what the cult religions are all about and with what bloody means they work against the truth, because only through the latter can they assert their force and power over man enslaving him in every respect.

It has to be made clear here that casual believers and adherents of the real teaching of Jmmanuel are threatened just as much as the editor of this text himself. However, the editor of this text is not endangered only because of it, but also because he is the contact between the earth and the extra-terrestrial forms of knowledge and very highly developed forms of spirit of higher levels who transmitted to him unadulterated, newly circulated teachings of the spirit, thereby uncovering the lies of the cult religions which will lead to their slow but certain eradication.

Equally endangered was the discoverer and translator of the original scrolls of this text who, in preparation severed his connection with the church years ago, endeavoring to live somewhere unrecognized with his newly founded family. Aware of the enormous power of the cult religions he wanted to keep his name from the public as well as the original manuscripts. He rightfully feared for his life and that of his dear family who meanwhile all became victims of the cult religious persecutors and were assassinated. However long before that, the man gave the translation of this text to a good friend: i.e. the editor, under the seal of absolute secrecy and that his name would never be mentioned. But only in 1974 did the latter receive permission from him to spread the text and to make it accessible to interested parties.

In 1963 the discoverer and translator of the original scrolls of this text brought his friend, the editor Eduard Meier several times to the actual and authentic tomb of Jmmanuel which was by now filled

up by sand and earth. Upon digging, E. Meier found several things which confirmed the contents of this text.

Unfortunately it has to be stated regarding this text, that it is no longer complete, because several pieces of the scrolls of the text are completely illegible or disintegrated. It was also evident that several parts were missing. Nevertheless, the part that is still in existence is a stirring testimony to the fact that an infamous, cult religion and false doctrine, has been set up around the person Jmmanuel and around his teachings in the course of two millennia, a web of lies without any equal in order to build a power of cult religions and enslave people on the earth unscrupulously. Yes indeed, everything at the expense of the mislead, credulous and ignorant people of the earth, at the expense of his goods and chattels, but especially at the expense of his innocently spilled blood, which flowed from him violently, throughout the sordid machinations of the "*Holy Chair*" which, as a lie, preaches love as a means of exploiting, enslaving, and violating all the people of the earth.

Only rarely does a single individual succeed in publishing themes and truths which clarify original meanings or even barely lucidate as such when cult religious or political issues are under discussion. History proves, that in each case when people were persecuted, tortured, and murdered, forces appeared that, not only misrepresented the truthfulness of a their statements, but with any means available, made the individuals a mockery of the truth. As if that were not enough, as soon as something is published and disseminated that can clarify the original meaning and truths regarding cult religions or political issues, the texts are taken out of circulation with the help of pastors, the police, the authorities, and other adherents. The texts are then "safeguarded" or destroyed to further withhold from the people of the earth the truthful reality, and to continue to let them suffer the consequence of their erroneous thinking and their false teaching, ultimately letting them starve and decay in misery. Only in this manner can they be exploited to the last drop of their blood, especially by the governments and the cult religions.

80. Jakob created Joseph.

81. Joseph, who was the spouse of mary, the mother of Jmmanuel, who became pregnant by a distant descendant of the son of heaven, Raisiel, who was the guardian angel of the secret.

82. When Joseph heard of the secret impregnation of Mary through a descendant of a descendant of the sons of heaven, from the lineage of Rasiel, he was filled with wrath and thought of leaving Mary before he was married to her before all of the people.

83. While Joseph was thinking in this manner, behold, a guardian angel of the sons of heaven - Gabriel a messenger, who had impregnated Mary, appeared before him and said,
84. "Joseph, Mary is betrothed to you and you are her spouse, do not leave her, for the fruit of her womb is chosen for a great purpose. Marry her before the people, that you may be man and wife before the people."
85. Behold the impregnation of Mary occurred eleven thousand years after the creation of Adam through the son of heaven Semjasa, so that the word would be fulfilled which god, the ruler of those that traveled from afar, had said through the prophet Jesaja who speaks as follows,
86. "Behold, a virgin will be impregnated by a son of heaven before she is married to a man before the people.
87. They will name the fruit of her womb Jmmanuel which interpreted means: '*the god with us*' as a symbol and to honor god through whose strength and providential care the earth was made to bear fruit, bringing forth intelligent human life, and the women of the earth pairing with the sons of heaven, those that traveled from afar, from the universe.
88. Behold, god and his followers from afar came from the depths of the universe saving themselves from a strong bondage, creating a new race and home with the early women of this earth.
89. Honor of the man of earth is due god, for behold, he is the true originator of the white (wise) generations of people on earth and to him honor should be due.
90. There is nothing in equal form besides him for this human race created by him, therefore, man shall have no other gods besides him which created other human races in other parts of the earth.
91. Besides god, there is nothing in equal form that is worthy of adoration. Only the omnipotence of all creation reigns over him and his celestial sons: it is THE CREATION ITSELF which is to be adored.
92. Behold thus: god reigns over the earth, the lord of the celestial sons and men of this white race.
93. God is the law giver of this human race and his wishes shall be obeyed, therefore, by man and woman.
94. God the lord, is generous in his love but also terrible in his anger when his laws are disobeyed.
95. Thus Mary became pregnant by the law of god, so you Joseph, are to be her spouse in matrimony".

The Birth of Jmmanuel

96. But Joseph, when he heard this, being very god-fearing, thought of the laws of god, brought Mary home and married her before the people.
97. At that time, Ceasar Augustus decreed that a census should be taken of all the world.
98. Thus, this census was the first of this kind and occurred at the time that Cyrenius was governor of Syria.
99. And everyone went to be counted, to his particular town.
100. So too, Joseph of Galilee of the city of Nazareth, went together with his wife Mary into the Jewish land, the city of David, which is called Bethlehem, because he was of the house and lineage of David,
101. In order to be counted with his wife Mary, who was pregnant through the celestial son Gabriel, from the lineage of Rasiel.
102. And when they were there the time came that she should give birth.
103. Since they could find no shelter, they stayed overnight in a stable.
104. And Mary bore her first son, in the straw, and wrapped him in cloth, and put him into a manger near the cattle, for there was no other room in the inn.

Chapter 3

JOHN THE BAPTIST

1. At that time appeared John the Baptist, preaching at the banks of Jordan River, at the edge of the desert.
2. John the Baptist preached the baptism according to the old laws of god according to which the path to knowledge was to be prepared,
3. and he preached that the laws of god had to be followed, because he was the only ruler for the human race,
4. but, that above him was **The Creation**, creator of the worlds, the universes and all things alive,
5. that **The Creation**, without any gender, neither male nor female was the holder of the Secret of all Secrets, life and death, the Light and Darkness, Being and Non-Existence (non-Being),
6. and that god the lord, the ruler of this human race and those who traveled from afar, the celestial son, reveres **The Creation**.
7. And all Judea and all the people of Jerusalem went to John the Baptist acknowledging

- the laws of god, and allowed themselves to be baptized by him in the river Jordan.
8. But he, John, had a coat of camel hair and a belt made of leather around his loins; his food, however, was locusts and wild honey.
9. When he baptized many of the people, there came many Pharisees and Sadducees to him taunting him with malicious speeches,
10. but John the Baptist spoke, "You breed of vipers, who told you that you could escape from the future wrath, once your false teaching is recognized?"
11. Watch and bring forth fruit of repentance and teach the truth.
12. Turn from the evil of your own false teaching done with arrogance and from power and profit motives.
13. Do not think that you will say amongst each other, 'We have Abraham as father.'
14. I tell you; with his knowledge and power god is able to turn these stones into children, because he knows the secret of The Creation.
15. The axe has already been laid at the root of the trees. Therefore the tree which bringeth not forth good fruit will be hewn down and thrown into the fire.
16. You breed of vipers, in two thousand years, you and your descendents who teach falsely serving your own pride from power and profit motive, shall be destroyed and punished because of your lies.
17. When the human race begins to know and separates the wheat from the chaff,
18. when your false teachings are laughed at, and the human race finds the truth,
19. when the human race builds singing lights and fire wagons (space ships) with which they can move into space, as is done by god and his following, the celestial sons,
20. who teach us wisdom and the knowledge of The Creation,
21. who suggest to obey the law of nature and live in accordance with it.
22. Oh ye faithless, breed of vipers, get away from this place, for ye are impure and cursed in your false teachings.
23. Get away from this place, for I can, by my own accord baptize you to repentance with water only, but he who comes after me is stronger and I am not worthy to take off his shoes, he will baptize you with the knowledge of the spirit and with the fire of truth.
24. He has his shovel in hand and he will sweep his thrashing floor and gather the wheat in his warehouse: but he will burn the chaff with a fire that cannot be extinguished,
25. for the lies can never resist truth which destroy evil in their fire."
26. But when John the Baptist spoke that way, behold, Jmmanuel from Galilee came at that time to the river Jordan to have John baptize him,
27. but John refused and spoke, "I need to be baptized by you, for you are of greater

wisdom then I; and why do you come to me?"

28. But Jmmanuel answered and spoke, "Let it happen now, for it is up to us to fulfill all justice, since we are both sons of the earth."
29. So John consented and baptized him.
30. And after Jmmanuel was baptized, he soon emerged from the water of the river Jordan. And behold, a metallic light fell from the sky and dropped over the river Jordan.
31. And they all fell on their face and pressed it into the sand while a voice, spoke out of the metallic light,
32. This is my beloved son in whom I am well pleased. He will be the king of truth which shall lift this human race to knowledge."
33. Behold, after these words Jmmanuel entered into the metallic light, which, surrounded by fire and smoke, ascended into the sky, gliding across the lifeless sea, and the singing of the metallic light soon became silent.
34. After that, Jmmanuel was no longer seen for forty days and forty nights

Chapter 4

The Secret of Jmmanuel

1. And from this day on, Jmmanuel no longer lived among the people of the earth of this human race.
2. He was let off by the metallic light between North and West where the guardian angels had received cords with which to measure the place for the chosen ones.
3. Jmmanuel was lifted up from the earth and nobody knew where he had been lifted up to when this happened.
4. Thus, he lived for forty days and forty nights between the winds of the North and the West where he received the secret of wisdom.
5. Meanwhile he spent his days with the wise saints of god and the guardian angels, the celestial sons,
6. who taught him the wisdom of the knowledge,
7. the dominion of god over this human race and his celestial sons,
8. the omnipotence of **The Creation** of the universes, and
9. the immortality of the spirit through rebirth.
10. There he saw the forefathers, the saints of ancient times who were the fathers of the human race, the celestial sons.
11. From there he went north along the ends of the earth, where the metallic lights and fire vehicles (space ships) fell out of the sky or, with singing, covered with smoke and fire,

soared into the sky.

12. There he saw a great and marvelous wonder at the ends of the entire earth.
13. Here he saw the door of heaven, open, of which there were three different ones.
14. As big as the area of the sea near the river Jordan did the heavenly doors radiate, in its brightest Sohar.
15. Radiating therein, the entire land of Israel was alive and true, man and animal, and everything that was there.
16. Behind this first heavenly door was no hidden secret, for Sohar entered the smallest spaces of the cottages and revealed the last to be known.
17. Behind the second gateway to the sky there were grand mountains whose tops reached into the sky and disappeared in the clouds.
18. Huge masses of deep snow were lying down to the foot of the mountains and at the edge thereof another human race, with brown skin, built their huts.
19. The third heavenly portal revealed a land of huge dimensions, mountainous, with rivers, lakes and oceans, because there lived another human race.
20. Not far from these three heavenly portals was the palace of god, the ruler of these human races and those who had travelled from afar, the celestial sons and the guardian angels.
21. In his palace god ruled over the three human races, created by him, and over his following, the celestial sons.
22. He was immortal and ancient, the size of a giant, like the celestial sons.
23. In the palace of god there appeared to Jmmanuel two very tall men the likes of whom he had never seen on earth.
24. Their faces radiated like the sun; their eyes seemed like burning torches, and fire came from their mouths; their clothing resembled a layer of foam, and their arms were like golden wings.
25. They lived in their own world, because this world had killed them.
26. These two men from the seven sisters (The Pleiades) were sacred teachers, together with two smaller men who said that they were men from BAAWI.
27. They said, "People have come from heaven to earth and other people have been lifted from earth into heaven. The people that had come from heaven remained on earth for a long time and created the intelligent human race.
28. Behold, men created by the celestial sons were very different in their own way from the other people of the earth.
29. They were not like men of earth but similar to the children of the angels of heaven, of a different kind.

30. Their body was white as snow and red as the rose bud, their hair was white as wool, and their eyes beautiful.
31. The human races shall keep the inherited beauty and keep on creating it.
32. But in the course of the centuries and millennia they shall mix with other human races of the earth and heavens in order to create new human races, and special races, such as the celestial sons did with the earth people.
33. Jmmanuel, you are of wisdom, created form amongst us a celestial son,
34. with your wisdom you will make the impossible possible and perform acts considered as miracles by the human race.
35. You know the power of the spirit, but beware, don't abuse it.
36. Your wisdom which you received through us will serve the well being of the human races, but the way leading thereto will be very difficult for them and for you.
37. You will not be recognized, you will be renounced, for the human races are still ignorant and subject to superstition,
38. they believe that god is **The Creation** itself and not the ruler of the celestial sons and these human races.
39. The people of the earth attribute to him the omnipotence of **The Creation** and glorify him as **The Creation** itself.
40. But god is a man, like all the celestial sons and the human races, except he is spiritually much more developed than they are.
41. But **The Creation** is of immeasurably higher standing than god, the lord who rules the celestial sons and human races, for **The Creation** is the immeasurable secret.
42. You too Jmmanuel, they will insult as god and his new born son and you too will be made equal to the **Secret Creation**.
43. But do not heed these false teachings, because millennia will pass before the people of the earth of these human races will be able to recognize the truth.
44. Much human blood will be shed on your account, you as well as that of uncounted generations.
45. Nonetheless, fulfill your mission as the king of wisdom, as the son of Gabriel, the celestial son.
46. In the name of god the law was issued to create you so that you may serve as prophet and forerunner of wisdom to this human race.
47. Fulfill your mission imperturbable to opposition, to all lack of reason and false teachings of the scribes and pharisees as well as against the incredulous people.
48. Upon fulfillment of your mission centuries and two millenniums shall pass before the truth of your wisdom brought amongst the people will be recognized and spread by some people on earth.

49. Not before the time when machines project themselves into the sky will the truth break through and the false teachings slowly become shaky, namely that you are the son of god or **The Creation**.
50. This will be the time that we, the celestial sons, will begin to reveal ourselves anew to the human races, because they will have become knowing and will threaten the order of heaven with the power they will have gained"
51. Thus they spoke, the celestial sons, between North and South, before they brought Jmmanuel back to Israel, the land of Galilee, in the metallic light.
52. Since Jmmanuel heard that John the Baptist had been imprisoned, he left the town of Nazareth, came and lived in Capernaum which is by the sea, in the land Sebulon and Naphtali.
53. Since that time Jmmanuel started to preach and said, "Repent and turn to the truth and to knowledge, for they alone bring you life."
54. When Jmmanuel went along the Sea of Galilee, he saw two brothers, Simon named Peter and Andrew, his Brother and they threw their nets into the sea, for they were fishermen.
55. And he spoke to them, "Follow me; I shall teach you knowledge and make you into fishers of men."
56. They soon left their nets behind and followed him.
57. And when he went on hence, he saw two other brothers, Jakob the son of Zebedee, and John, his brother, in a ship, with their father Zebedee, and they were mending their nets. And he called them.
58. Then they left the ship and their father and followed him.
59. And Jmmanuel went all over Galilee, taught in their synagogues and preached the knowledge of the spirit and healed all diseases and infirmities of the people.
60. And the news of him spread all over Syria. And they brought to him all those that were sick, afflicted with various diseases and plagues, those that were obsessed, the lunatics and those that were sick of the palsy, and he healed them.
61. And many people followed him from Galilee, from the ten cities, from Jerusalem, from Judea and from the other side of the river Jordan.

Note: This is when Immanuel introduced the Lords Prayer and the reason behind it.

Chapter 6

Alms, Fasting, Treasures, and Caring

1. "Watch your piety, practice it before the people with the right words, lest you be accused by them of lying, whereby you find no reward from them.
2. Choose your words in accord with logic and consider the knowledge and behavior of nature.
3. When you give alms, you shall not publicize this as do the hypocrites in the synagogues and in the streets in order to be praised by the people. Verily I say unto you, they have their regard in giving alms solely for reason of selfishness.
4. And when you pray, you should not be as the hypocrites who like to stand and pray in the synagogues, and at the corners of the streets, praying only for reason is selfishness and to be seen by the people.
5. And when you pray, you shall call upon the omnipotence of the spirit, and you should not babble as do the ignorant and selfish, for they think that they are heard because of their many words.
6. The spirit of men does not require many words, but it requires the knowledge of its power.
7. Pray therefore in knowledge to the almightiness of the spirit, as its grandeur and power is infinite.
8. If you do not know how to pray directly to the almighty power of the spirit, then use instead something sacred through which you will enter into the spirit.
9. But never be like the ignorant, the hypocrites, the selfish, who revere something sacred believing that the almighty power of the spirit dwells within.
10. Be also aware that through this sacred thing the almighty power of the spirit dwells within you.
11. Therefore, pray as those that know, and therefore you should pray:
12. My spirit, you are omnipotent. Your name is holy.
13. May your kingdom be incarnate in me. May your power reveal itself within me, on earth and in the heavens.
14. Give me today my daily bread, and thus
15. let me recognize my sins, and I shall recognize the truth.
16. And do not lead me into temptation and confusion, but deliver me from error. For yours is the kingdom within me and the power and the knowledge forever, Amen.'

17. For when you pray to your spirit, whatever you request will be given to you, for believe with knowledge and you will receive.
18. But if you believe in false teachings, namely that power and spirit do not dwell within you, then you will be without knowledge and live in spiritual poverty.

Chapter 11

The Question of the Baptist

1. And it occurred, that after Jmmanuel had given these commands to his twelve disciples he continued on teaching and preaching in their cities.
2. But since John, in prison, heard about the works of Jmmanuel, he sent his disciples to him and had them tell him,
3. "Are you the one who is to come, the King of Wisdom as was told by the prophets, or should we wait for another?"
4. Jmmanuel answered and spoke to them, "Go and tell John what you hear and see.
5. The blind see and lame walk, lepers are cleansed an the deaf hear, the dead rise, and to those who seek truth and knowledge it is given.
6. Blessed are those who are not offended by my teaching."

The Testimony Regarding the Baptist

7. And when they went Jmmanuel started to speak to the people about John, "What did you do to see in the desert? Did you want to see a reed shaken by the wind?"
8. Or what did you go out for to see? Did you want to see a person in soft clothes? Behold, those who wear soft clothes are in the houses of kings, scribes and priests.
9. So, what did you go out there for? Did you want to see a prophet? Yes, I tell you, He is more than a prophet.
10. He is the one of whom it is written, 'See, I send a messenger before you who shall prepare your path before you.'
11. Verily I say to you, Among all who were born by women, there is none arisen who is greater than John the Baptist.
12. But from the time of John the Baptist until now, the earth suffers from violence, and those that commit violence snatch it away.
13. For all the prophets and the law have prophesied to the time of John,
14. and if you want to accept it; he is Elijah ,who is to come in his again life.
15. He who has ears, hear!

16. But to whom shall I compare this generation? It does not matter to the children who sit at the market and call to their playmates saying,
17. 'We are striking up a tune, and you did not want to dance; we made ourselves hoarse with wailing and you did not want to mourn.'
18. John, who is Elijah, did not eat or drink; and now they say, 'He is possessed.'
19. But I have come, I eat and drink, and they say, 'See what a glutton and wine bibber he is, a friend to the publicans (customs officers) and the infidels.' And yet wisdom is justified through the works shown."

The False Doctrine of Saul

30. But when Jmmanuel finished that speech, a man named Saul came to him and said,
31. "You are preaching heresy; and it is strange to me from the beginning. It seems dumb and your Spirit seems confused."
32. But Jmmanuel said, "How can you tell me I am confused in Spirit whereas it is you who is confused in Spirit?"
33. Verily I say to you, "You Saul are persecuting me, as well as my disciples, because of my teaching, but you will change your mind.
34. From now on you shall be named Paul and travel in all different directions, and you shall have to suffer for having called my teachings heresy and my Spirit confused.
35. But you will heap upon your shoulders a great burden, for in your lack of understanding you will misunderstand my teachings and likewise teach it falsely.
36. Your speech will be confused; and the people all over the world will be in bondage to it as servants to it and worship the false doctrine.
37. Inasmuch as you will place the land of the Greek in bondage to an evil cult with your false teachings, thus you will call me in their language "the anointed".
38. It will be the fault of your ignorance that they will call me Jesus Christ which means the anointed.
39. And it will be the fault of your ignorance that because of this name human blood will be shed, so much that it cannot be contained in all the existing containers.
40. You are still persecuting me and my disciples because of my teachings, but soon the time will come when you will change your mind.
41. When you will face me again at another time and will assume that I am a Spirit.
42. Verily I say unto you, as so many others, you will be to blame greatly that my teachings are adulterated and that the human races build erroneous cults.
43. But you will be the cornerstone for the senselessness that I will be called Jesus Christ and the redeemer of a false cult."
44. And Jmmanuel was furious, seized a stick and chased Saul away.

45. But Saul joined up with the son of the Pharisee Judas Iharioth and counseled how they could seize Jmmanuel so that they could turn him over to the persecutors, for his thought was full of revenge.

Note: The Talmud contains the complete explanation of the Crucifixion and how Jmmanuel survived it and fled to Damascus. It is too lengthy to reprint and should only be told in its entirety. I have included instead comments written by Billy which sum up the life of Jmmanuel.

Conclusion and Explanation

For a long period of time the translator of the scrolls of Jmmanuel was wrapped in silence and the publisher of the translation did not know why. The puzzle was solved on September 19, 1974, when he received a letter written by the translator on September 14, 1974 in Baghdad, Iraq. Following this conclusion there is a photostatic copy of this letter, from which the readers may learn the necessary details.

Unfortunately, because of the unexpected loss of the original scrolls the only proof has been lost. Furthermore, therefore the Arkanum/Talmud of Jmmanuel is no longer complete. For this reason there are only 36 chapters, i.e. a quarter of what made up the original scripts.

Since the publisher remembers the remaining story of Jmmanuel fairly well, he does not want to withhold from the readers the explanation of the most important events, roughly speaking: Jmmanuel travelled to North India with his mother Mary, his brother Thomas, and his disciple Judas Ischarioth. During that time he preached in many countries and often had to flee, because his speeches were revolutionary. That is why his journey to India took several years and was connected with great hardships. In the country which today is called West Pakistan, way up in the North near the last foothills of the Western Himilayan Mountains, his mother became very ill and died, when Jmmanuel was about 38 years old. After he lost his mother, Jmmanuel moved on and crossed the part of India called today Cashmere, in order to spread his teachings further. He thereby traveled through what is called today Afghanistan and West Pakistan, since ten Israeli tribes had settled there, which had migrated from Israel.

When Jmmanuel was about 45 years old, he married a young and pretty woman who bore him numerous descendants. As every normal head of a family, he settled down in what is called today Srinagar, in Cashmere, India. From there he made many journeys and kept on preaching his new teachings. At the age of about 110 to 115 he died a natural death and he was buried in Srinagar.

Judas Ischarioth died at the age of about 90 and was buried at a place not far from Srinagar. But the first born son of Jmmanuel, called Joseph, wrote down Jmmanuel's story and left India after the latter's death. After a three year's journey he returned to the land of his father and lived until his death in Jerusalem. But he took the original scrolls with him from India and hid them in the tomb which Jmmanuel had originally lain. He thought that this would be the safest place. As was already explained in the forward, that's where these scrolls were found, of which 36 chapters are rendered here as translation.

Celestial Teachings

by James W. Deardorff

The Emergence of the True Testament of Jmmanuel(Jesus Christ)

In 1975 professor James W. Deardorff learned of the existence of the Talmud Jmmanuel. Professor Deardorff was a professor in the field of atmospheric sciences at Oregon State University. With over 100 papers in various scientific journals to his credit he had no reason to change fields. However his personal interest in UFOs led him to the Meier case and a early retirement.

After examining the Talmud Jmmanuel, professor Deardorff became intrigued with possibility that this may be indeed the lost testament of Jmmanuel(Jesus Christ). Perhaps here was at last the true lessons of Jmmanuel.

After six years of study professor Deardorff has written an excellent book analyzing the Talmud Jmmanuel.

If you are a student of history, or just have a natural curiosity about the origin of Christianity, you should read this book.

Celestial Teachings is a complete study of the Talmud and compares it to other Gospels such as the Gospel of Mark and Matthew and others.

Professor Deardorff hopes that someday it will be possible to interest biblical experts in giving the Talmud Jmmanuel the intense scrutiny it deserves. A unique document in several ways, it in particular, foresees scholars' objections to the Gospel of Matthew, even very obscure objections, and suggest new motivations that the earliest compiler of Matthew's gospel appears to have had in editing his source material to remove heresies.

Questions & Answers

Since the theme for this issue is all about the life of Jmmanuel (Jesus Christ), I will keep the questions and answers centered around this subject. Next issue will contain an interview with Billy Meier and will have a broader text.

I hear a lot of talk about Jmmanuel living in India. Is there any writings about his time there and what he did?

Yes. There is a wonderful book called "Jesus lived in India". It is written by Holger Kersten. Mr. Kersten is a teacher of religion in Freiburg, Germany. He has traveled extensively throughout Pakistan and India searching out the path of travel of Jmmanuel. His book is a great piece of non bias detective work which is very revealing. He has traveled the same roads as Jmmanuel did, read his writings that were left behind and traced down were he lived and died. The book also includes 57 illustrations including pictures of the grave of Jmmanuel. This book is very well written and would stand up well in any scientific study. Getting the book is the problem. Check with you local bookstore. If you live in the Los Angeles area call the Bodhi Tree bookstore on Melrose ave. The name of the author is Holger Kersten, published by Element Book Ltd., Longmead, Shaftesbury, Dorset SP7 8PL, England. There is a phone number in England. 0747 513 39. Good luck on finding it.

How tall was Jmmanuel and what did he look like?

At the time of his ministry in Palestine he was 5' 11" tall and weighed around 170 pounds. He was large boned like a farmer and had big hands

Questions & Answers

and shoulders. He had dark curly hair typical of the Jewish nation. Billy says that he has met him when he was 19 during his time travels with Asket. I once asked Billy this same question when I was reading about the Shroud of Turin. I was sitting at the kitchen table in Billy's house when I asked. He said for me to stand up, which I did. He then stood beside me and then remarked that as best he could remember Jmmanuel was the same size that I was. I just happen to be 5' 11" and weigh around 170.

As far as his looks, there is a picture on the front cover of this issue made by Semjase of what Jmmanuel looked like during his years in Palestine.

What happened to Jmmanuel's mother after the crucifixion?

According to the Talmud Jmmanuel Mary was called by her son Jmmanuel to join him along with his brother. Mary traveled with Jmmanuel for several years and finally died when Jmmanuel was about 45. In Holger Kersten's book, Jesus lived in India, he discovered the tomb of Mary in Mari, Pakistan. I have asked Billy if this was true and he agreed. Billy has read Mr. Kersten's book and feels most of it is very accurate.

There is a book out by the Phoenix Journal called "And they called his name Immanuel". This book says Jesus is alive and living on a space ship and is called Sananda. The book is almost the same as the Talmud, is it real?

Questions & Answers

I'm afraid the book is just one more attempt at using Billy's material for personal gain. Jmmanuel is not reincarnated as Sananda, nor does he live on a space ship. As far as the book, it is a rip off of the Talmud and is not authorized by Billy. The book is supposed to be recorded by a Pleiadian entity called "dharma". This is not true. It is unfortunate that there are people who say anything for personal gain and fortune. Billy has tried very hard to bring Truth to the world and it is unfortunate that people try to take advantage of him and use his writings for there own gain. The Pleiadians are not contacting any one at this time. Most importantly you should know that when they do contact someone, (Billy has a list of the 23 people they have contacted over the years), they never let the contactee know of their precense. They do enlighten people from time to time, but they are careful to always let the person believe it is there own idea. The Pleiadians do not want to make decisions for us as we have to learn to responsible for ourselves. If they plant an idea in someones subconscious, they want that person to make up there own mind as what to do with the idea. Its important that you understand this, as the Pleiadians do not channel ideas to us or contact people randomly.

Was Jmmaneul created by Divine intervention and was his mother really a virgin impregnated by God?

As you can read for yourself in the Talmud Jmmanuel Mary was impregnated as any other women, she was not a virgin. This rumor got started because her husband Joseph was not the father. Mary was actually impregnated by Jmmanuel's father who was the Celestial son called Gabriel. Gabriel was a man born just as you and I. Jmmanuel was also born a normal

Questions & Answers

man like the rest of us. Two thousand years back the people could not begin to understand the idea of insemination. I don't know exactly how Mary became pregnant, either insemination or physical, I would imagine insemination. In either case Gabriel was considered a God by Jmmanuel and that's where the idea started. Gabriel helped his son Jmmanuel throughout his life. It was Gabriel who moved the stone away from the tomb, and it was Gabriel who took his son to Damascus after the crucifixion.

How old was Jmmanuel when he died and what name did he go under during his years in India?

As best I know he died around 105 years old. His grave site is in Srinagar India outside of Kashmir. During his later years in Srinagar he was known by the name of Yuz Asaf. He married around the age of 45 and had several children, the oldest was named Joseph.
